February 9, 2025

Explore creative Ruby Bridges project ideas to help students learn about her bravery and the history of the Civil Rights Movement. Perfect for engaging and educational activities!

What would you do if you had to walk through an angry crowd just to go to school? Ruby Bridges faced this challenge at only six years old. In 1960, she became the first Black student to integrate an all-white school in New Orleans. She walked into William Frantz Elementary School alone, protected by federal marshals, while people shouted at her.

At that time, schools in the South were still segregated, even though the Supreme Court ruled against it in *Brown v. Board of Education* (1954). Many white families refused to accept integration. Ruby's bravery helped change history. She showed the world that education should be for everyone.

Today, Ruby Bridges is a symbol of courage and equality. Her story is taught in schools to inspire young minds. Yet, even now, some schools still struggle with racial inequality. According to the U.S. Government Accountability Office, about 19 million students attend racially isolated schools. This shows that Ruby's fight is not over.

By studying her story, students can learn about justice, resilience, and leadership. This blog will explore **301+ powerful Ruby Bridges project ideas** to help educators and students engage with her legacy in creative and meaningful ways.

### Ruby Bridges Walk to School Day Activities

---

Ruby Bridges Walk to School Day is a special event that honors Ruby Bridges' courage as she walked to an all-white school at the age of six, helping to desegregate public schools in the United States.

It's a fantastic opportunity to celebrate bravery, equality, and inclusion. Below are some engaging and educational activities for students to participate in for Ruby Bridges Walk to School Day:

#### Classroom Walk to School Simulation

---

**Activity:** Organize a "mini" walk to school around the playground or school grounds. Discuss Ruby Bridges' brave walk, and explain why her action was so significant. Students can walk in pairs or small groups, reflecting on how Ruby's walk helped to change history.

## Bravery and Courage Discussion

---

**Activity:** Before the walk, hold a class discussion about bravery. Ask students what it means to be brave and how Ruby Bridges showed bravery. Discuss how students can show bravery in their own lives.

## Make Walk to School Signs

---

**Activity:** Have students create their own signs or posters for the walk, inspired by messages of equality and kindness, such as “Everyone Belongs” or “Bravery for All.” These can be carried during the event to remind students of Ruby’s courage.

## Ruby Bridges Story Time

---

**Activity:** Before the walk, read *The Story of Ruby Bridges* by Robert Coles or another age-appropriate book about her life. Discuss the significance of the walk to school that Ruby made, and how it paved the way for desegregation.

## Create a Walk to School Path

---

**Activity:** Inside the classroom or in the hallway, create a symbolic path or timeline that marks important moments in Ruby’s journey. Students can “walk” the path while learning about the milestones in Ruby’s life and civil rights history.

## Ruby Bridges Reflection Journals

---

**Activity:** After the walk, have students reflect on their own feelings and experiences in a journal. Ask them to write or draw how they felt walking, and what it might have been like for Ruby Bridges as she walked to school each day.

## Courageous Character Collage

---

**Activity:** As a group, create a collage of “courageous characters,” including Ruby Bridges and other historical figures who helped create change. Students can add pictures, quotes, and brief descriptions of each person’s impact.

## Walk and Talk: Buddy System

---

**Activity:** Pair students up as “buddies” for the walk, emphasizing the idea of supporting and looking out for each other, much like Ruby Bridges was supported by her family and community. While walking, discuss the importance of friendship and kindness.

## Ruby Bridges Quote Reflection

---

**Activity:** Before or after the walk, share a powerful quote from Ruby Bridges or her family, such as, “Don’t follow the path. Go where there is no path and begin the trail.” Ask students to reflect on what this means and how they can apply it to their own lives.

## Diversity and Inclusion Discussion

---

**Activity:** Lead a class discussion about diversity and inclusion. Have students share what makes each of them unique and how diversity is celebrated in their school and community. Tie it back to Ruby’s journey of fighting for equal rights.

## Art Activity: Walking Shoes

---

**Activity:** Have students decorate a pair of paper shoes to represent the shoes Ruby Bridges wore when she walked to school. Each shoe can include messages of hope, equality, or freedom. Display the shoes as a visual reminder of the event.

## Classroom Unity Circle

---

**Activity:** After the walk, gather students in a circle and share how they can continue Ruby Bridges’ legacy of promoting equality and kindness. This can be a reflection time where students express how they can make a difference in their school or community.

## Role Play Ruby Bridges’ Walk

---

**Activity:** Set up a dramatic role-play where students can act out Ruby Bridges’ walk to school. One student can play Ruby, while others can play the supportive figures in her life. Discuss the challenges Ruby faced and how the role-play helped students understand her courage.

## Music and Movement: Walk to School Song

---

**Activity:** Create a song or chant related to walking to school in honor of Ruby Bridges. Students can come up with their own lyrics celebrating equality and bravery. Have a small performance after the walk.

## Thank You Letter to Ruby Bridges

---

**Activity:** After participating in the Walk to School Day, have students write a thank-you letter to Ruby Bridges, expressing what they learned from her story and how it has inspired them to be more inclusive and brave in their own lives.

## Final Words

---

Ruby Bridges proved that one child can change the world. Her bravery in 1960 helped break down barriers in education. But the fight for equality continues today. Many schools still struggle with segregation and unfair policies. That is why learning from Ruby’s story is

more important than ever.

These **301+ project ideas** offer creative ways to honor her legacy. They encourage students to think about history, fairness, and how they can make a difference. Whether through art, writing, or activism, every project helps keep Ruby's message alive.

Education should be a right for all, not a privilege for a few. Ruby Bridges believed that. Her courage reminds us that even young voices matter. Today, students can carry her message forward. They can stand up for fairness, kindness, and justice.

Now, it's your turn. Explore these project ideas. Choose one that speaks to you. Share Ruby's story with others. Because when we learn from history, we can build a better future. Ruby Bridges walked so future generations could run. Let's continue her journey together.
